

Re: Darlene Brothers, Kuau Bayview Resident

10/29/15

To whom it may concern,

I am writing this letter concerning my neighbor Darlene Brothers because I have recently heard of complaints and allegations about her that, to me, seem outrageous.

I have a retail business in Makawao that I have owned for over 20 yrs, the Postal Shop Makawao. I service and deal with all kinds of personalities on a daily basis and I consider myself a good judge of character because that is a large part of being successful in a retail business.

I have been a next door neighbor of Darlene Brothers for over a decade and I have not had any issues with her on any level. I have had to interact with her many times over these years because of typical neighbor and neighborhood issues and throughout this period of time we as a family have not had any problems with her. She has been kind to our 12 yr old daughter and has always been respectful to me and my family. When any of our animals have crossed over to her property, which probably happens often, she has never been mean or complained about it.

I also believe that the allegations that she is some kind of drug dealer are ridiculous. I have never had any reason to believe that she is a drug dealer or any other kind of law breaker. There are no late night visitors or cars coming and going, ever.

She has been a very respectful neighbor, never infringing on our privacy, and we are very happy to call her our neighbor.

If you have any further questions about Darlene, I would be happy to answer those.

Aloha and mahalo for your time.
