This letter is to express my support for Darlene Brothers.

I own 12 properties in Paia. I believe I am one of the largest landowners of commercial and residential properties in Paia.

Three of the homes I own are located in Kuau Bayview, dating back over 10 years. During this time Ms. Brothers has provided an extraordinary amount of her time to assist others. She works very long hours to keep the entrance to the subdivision beautiful with plants and flowers. Her commitment to the subdivision shows her unending desire to assist the community.

During the time I have known Ms. Brothers she has been extremely helpful and supportive to my entire family. She regularly even stops by to check on my parents who are 82 and 77 years old who live in Kuau Bayview. I have asked Ms. Brothers to let my 7-year-old daughter help her next time she is planting.

Ms. Brothers is very caring and exemplifies integrity and honesty and demonstrates a sincere interest in the well-being of the people who live in our community.

When I heard her explain some of the allegations against her character I was appalled that people can make up such nonsense and lies to the public.

I would encourage you to please assist Ms. Brothers in any way possible. She is the kind of person we need more of -- truly good people who are here to help others.
